BIO-SURE PLUS BENEFITS

CORAL SAND – made of calcium and magnesium minerals is great for bone strengthening, increases the alkalinity of the water and provides a dramatic nutrient boost to the body.

QUARTZ – a mineral that helps create healthy cells by restructuring the water, supports an increase in metabolism and is known to decrease chances of getting dementia.

TOURMALINE – known as the miracle stone, increases the absorption properties of water at the cellular level and assists in mental and physical relaxation.

ZEOLITE – a mineral that provides an immune-detox to help prevent illness and it also eliminates toxins, free radicals (cancer) and metals from the body.

ZEO-Z1 – containing calcinated calcium and zeolite, zeo-z1 removes bacteria in water and is necessary for good bone and heart health.
